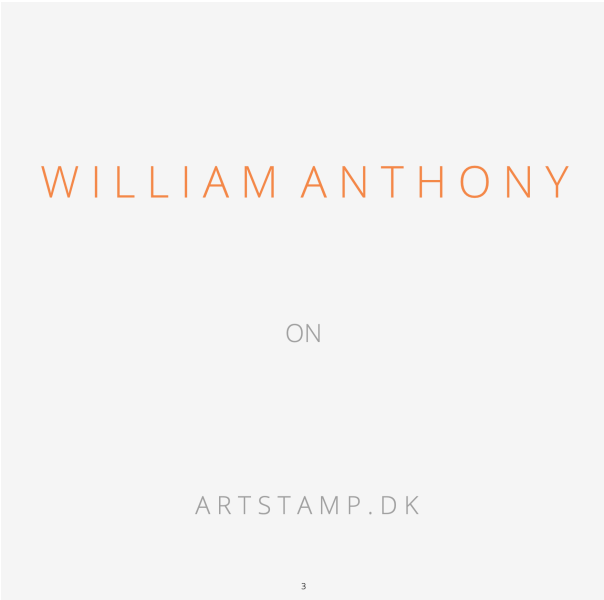
William Anthony

This catalogue presents *On Artstamp.dk*, a publication by William Anthony produced in collaboration with Artstamp.dk and Stalke Galleri.

The book brings together a broad selection of Anthony's drawings reproduced as artist stamps, tracing his distinctive visual language across humor, satire, and cultural critique. Through exaggerated figures, deliberate awkwardness, and sharp irony, Anthony transforms everyday formats into vehicles for artistic commentary.

Rather than separating art from popular culture, *On Artstamp.dk* embraces distribution, repetition, and circulation as integral parts of the work. The catalogue situates Anthony's practice within a broader context of artistic irreverence, where wit and seriousness coexist, and where critique emerges through play, distortion, and excess.



William Anthony

On Artstamp.dk

Pages: 56
Design: Sam Jedig / Stalke Galleri
Published: 4.12.2020

ISBN: 9788743026037
Publisher: Books on Demand

Selected pages from the catalogue *On Artstamp.dk*.

The pages present reproductions of works and layout spreads from the publication, highlighting William Anthony's use of the stamp format as both image and concept, and reflecting the catalogue's focus on circulation, repetition, and visual humor.
